## A Note From... Our President

Welcome February and Happy Valentine's Day Month!

Our Facets of Splendor color for this month is Pink (with a splash of Red). Pink is more about romance than passion which defines the color red. Many people immediately connect the color with all things feminine and girly. The color pink, for example, is thought to be a calming color associated with love, kindness, and femininity. Some shades of pale pink are described as relaxing, while very bright, vibrant shades can be stimulating or even aggravating. It also brings to mind romance and holidays such as Valentine's Day. Each of you ladies exhibit the beauty of pink and can wear it very well. You do whatever it takes to show kindness and love in order to help those in need. Wear your pink to the meeting and if you don't have pink, wear red, pink is a hue of red with a dash of white.

I hope everyone is getting ready for the Arts and Crafts Show. Our Chairmen along with their committee have worked very hard making plans for a fantastic show. Get excited and tell as many people as you know about it. Let's make up for last year and make it the best yet!!!

Our Board of Directors have been working diligently all year to help those in need in our community. We have committees that are just now starting their work for the year. 2nd VP, Karen Stevens, has put together a great committee to evaluate the nonprofit organizations that completed applications for grants. They will be presenting their selections at the March meeting. The Nominating Committee also will be presenting the slate of officers for next year at the March meeting. If you are contacted by one of the Nominating Committee members, please consider the request. Furthermore, the Scholarship Committee will be considering the student applications of those eligible to receive a scholarship.

A big thank you to each of you, for all of the work, time, money and effort you give so that our club has a successful year and we accomplish our goals!!

Terri

## Notes... About January's Speaker

Hi I'm Gretchen and I am a 51 year old wife, mom, gigi, furniture brand manager, certified FASTer Way to Fat Loss coach and former chef. I've followed nutrition and diet through my own health struggles over the past five years and have found healing through nutrition. I have a passion for helping women find their best selves through nutrition and the mindset around nutrition so they can fulfill their purpose with energy.

You can find me cooking, eating, encouraging and playing on social media.

**Battle of the Books:** A reading competition for 4th and 5th graders. If you are interested in reading and writing questions for Indiana Battle of the Books, the book list and sample questions can be found on their website <http://www.indianabattleofthebooks.org>.

Questions should be turned in at the February meeting to Lola Perrett. Another way to help with this reading competition is at the actual event on April 7th and 8th. Sign-up sheets will be available at the January and February meetings and there will be a virtual training for those volunteers on March 10th.

# News... Arts & Crafts Show

## Craft Show Time!

It is that time of year and our last big fundraiser for the year! We have had a group of ladies who have worked very hard and have put in very long hours in planning the craft show. This show takes the entire membership to work together to pull off one of the most successful craft shows in the area. We hear all the time from vendors who say we run the very best one they have ever been to. This means we have a reputation to maintain!

Just a few reminders:

Members need to work at least 4 hours on the day of the show, unless you are doing one of the few duties we have before the show.

If you have not signed up yet to work, please do so at the upcoming general meeting. You can also call one of the Craft Show Chairs and let them know where you want to work if your choice is available.

When you arrive the day of the show, please sign-in and get your badge from the front office.

The attire for the day of the craft show is black pants and a white shirt and don't forget those comfy shoes.

If you have a touch of hot pink to add to your outfit, that would also be great!

We have a lot of excited vendors who are looking forward to the craft show, so let's pull together and do our very best to make that happen!

Let's do this together ladies!

## And... Sweet Shop

All active/sustaining Members are required to donate baked items for the Sweet Shop. This year all items must be homemade, clearly labeled (especially if there are nuts), and wrapped with creative, decorative packaging. Our colors are hot pink and black so try to use ribbons with those colors. Have some fun with it. You do not need to price your items, we will do that for you. However, we do not want to price anything under \$1 so make sure you put at least \$1 worth of product into a package. For instance, if you have small cookies put 4/bag or if you have large cookies maybe put 2/bag. If you are unable to make something, ask a friend that you know who would enjoy helping you. However, if you absolutely can not donate sweets you can pay \$15 to the Sweet Shop and we will take care of it for you. Fudge, puppy chow, cakes, pies and bread are always popular, and don't forget the sugar free or gluten free items. Having problems with ideas? Get on Pinterest or Google and type in "bake sale ideas" or "bake sale packaging". You will be amazed at all the simple ideas out there. I found a page that had 50 different no-bake cookie recipes. I also found lots of easy and cute ideas for packaging items. There are some great packaging containers available at Walmart, Michaels, Joann's, GFS and even the Dollar Tree! Baked goods will need to be delivered to Castle High School on Friday, February 25 between 3pm and 6pm. Please contact Lori Kelso if you have any questions.
