### A Note From... Our President

Women's Club of Newburgh Ladies,  
The old cliché "Time flies when you're having fun", most certainly applies to the past two years. Another year is coming to its end. Our May meeting is probably our most important meeting of the year. It is the culmination of all the planning, meeting, working together and completing the tasks that were set before us. We will be installing the incoming Officers for 2023-2024. You have a wonderful group of ladies being installed as your Executive Board. Donna Robinson will be your President and will do an excellent job. Give her and the board your full support. Furthermore, we will be presenting the Grants recipients along with presentation of the scholarships to deserving seniors from Warrick County. I am blessed to be part of the best group of ladies anywhere. I want to thank each of you for your dedication and desire to make our community a better place for all of us to live. Our achievements cannot be denied and our record is proof. I have no doubt that the Women's Club of Newburgh members will continue working together and "Shining Brightly"!  
From the bottom of my heart, I thank you for the confidence you placed in me for the past two years.  
Thank you and God bless each of you!  
Jerri  
WCN President

### A Note From... Our First Vice President

I hope you all enjoyed our April Style Show. A big thank you to our models: Kelly Woodard, Michelle Neff, Whitney Saint, Lisa Titzer, Misty Eilert, Sherida Pedro-Randolph, Alyce Taylor, and Joyce Lindsay for stepping outside their comfort zones. You all looked lovely and we got to learn more about each of you. Thank you also to Marilyn Southwood for helping the models backstage. When you shop at Chico's please let them know how much we appreciate them for providing their clothing.

Donna Robinson  
First Vice President
