A Note From... Our President

"There is no limit to what we, as women, can accomplish."

~~Michelle Obama

Signs of Spring are everywhere! Early Spring flowers are blooming and the days are getting longer. Our annual Craft Show is behind us and we are looking forward to awarding grants and scholarships.

I want to thank everyone who did their part to make this year's Craft Show a success, especially Nancy Parker, Karen Stevens, Melissa McGuire, Janet Clark, and the Craft Show committee. An event of this magnitude takes ALL of us in order to be successful year after year. Know that your efforts benefit our community in multiple ways.

The Grants Committee will present their recommendations at this month's general membership meeting. Also being presented is the slate of officers for next year. Make it a point to attend the March meeting for these presentations.
