A Note From... Our President

Hello Ladies, I hope each of you have your reservation for our Annual Auction next Tuesday, November 9. If you haven't, it is not too late. Contact Janet Clark today! It is a fun and exciting event that you do not want to miss. Come and enjoy the "Splendor of Spending." Our "Facets of Splendor" colors this month are silver, gold and blue chosen by our Auction Chairman, Geo Wilkinson, and her committee. The colors truly represent the many facets of our club members and our club, as a whole. Blue is a #1 favorite of most people. It is appealing to us in a variety of ways, to our senses as well as to our emotions. It is calming, brings us peace and serenity and is pleasing to our eyes. Yes, sometimes we equate sadness with it, but it also depicts strength and trustworthiness. We also envision the beautiful blue sky, the clear blue waters of the seas and especially we think of Heaven! Beautiful blue looks good on everyone and everything. Just add a touch of gold and silver with sparkle, shimmer and shine and we have a treasure chest of the most precious and valuable minerals! These minerals bring much worth to its owner all the while exhibiting strength and durability. The precious and valuable ladies of the Women's Club of Newburgh fill our treasure chest. Each of you brings invaluable worth to our club and its endeavors. You are much more valuable and precious than silver and gold. Thank you, Ladies, for sparkling, shimmering, and shining while working together to meet the needs of our community. See you at the Auction!! Happy Fallidays!

A big thank you to WC Member that donated to Alan Payne who was diagnosed with HIBM/GNE Myopathy. We collected \$100 at our September meeting. This will be an ongoing effort for people to help Alan with his medical expenses and to get his C Brace. Donations can be made at [gofundme.com](https://www.gofundme.com) and First Federal here in Newburgh.

A Season of Thanksgiving How fortunate we are to have each other! As a club, as individuals, we have so very much for which we can be thankful! I want to thank each of you for your dedication to our club. Let this season be a time of thanking others for things we often take for granted sometimes it is the small things that make a difference in our lives. As a reminder to all of us, Rolling Hills Country Club has been so gracious and supportive over the years to our club. Every month we have at least 2 meetings there and they do everything possible to meet our needs. They accommodate us by not charging us a fee to use the club. RHCC only makes money on the food that we order for our meetings. Alison and Kyla and their staff go above and beyond to meet our every need. There are several ways we can show them appreciation. We can stop by the office after a meeting to say thank you or send a thank you note. They will be grateful for any kind gesture of thanks, I'm sure! Let's make this special time of year truly a Season of Thanksgiving! Happy Thanksgiving!!

Give thanks
