A Note From... Our President

Ladies,

March is the month for shamrocks and leprechauns ushering in the greening of the grass and trees. It is the time of year for growth, harmony of nature, balance, generosity and healthy habits while providing a little luck of the Irish. That is why I chose green as our facet of splendor. There has been a lot of planning, organizing and many hours of work by our committees' Chairmen and committee members and each of you to make 2021-2022 a success. Although our year is culminating, it is a very critical time in the year for our club. Our largest fundraiser of the year, the Arts and Crafts Fair, will be past by the time you get this newsletter. Also, it is during this time in our year that we decide on how our funds we have raised will be used to "enrich, educate and improve the quality of life for all citizens in the community". Our March meeting is for MEMBERS ONLY. The Nominating Committee will be presenting the slate of officers for the 2022-2023 year, the Grants Committee will be presenting the non profit organizations that they have meticulously researched the applications that were submitted according the guidelines. These organizations that will be presented have met the criteria for receiving a grant. The specifics will be presented at the March meeting before the presentations by the committees. Be aware that there WILL NOT be any discussion concerning the Grants or the Slate of Officers at the April meeting, only voting. More detail will be given at the March meeting on procedures for the April voting.

It is an exciting time for our club and each of you have earned the right to be proud of your accomplishments. I am looking forward to seeing you *glamorous and green ladies* on March 8! Be there at 10:30 for our **Member Vendor Fair** and enjoy the talents of our Artists and Craftsmen.

When we help others, we help ourselves!

Classifieds... Vendor Chair

If you like to work with spreadsheets and balancing, this job is for you!

Qualifications for this fun job are:

Knowledge of excel spreadsheets, like to color code, like to communicate by email, work well with others, like to be organized, like to attend some crafts shows in the area.

What part of this position does not sound like fun! The person in this position really needs to give it up due to other responsibilities in the club (Treasurer, Craft Show Chair, Auction Reservations). She would also be available to help get the new person oriented for as long as needed.

All positions in the club need to have at least 2 people to know how to do each position. This is one of those positions that only 1 person knows how to do it.

The position is Vendor Chair for the craft show.

Janet Clark,
2022 Vendor Chair
