A Note From our President

Dear Members,

May is always my favorite meeting of the year—it's when we come together to celebrate the heart of our mission by awarding grants and scholarships. It's a true reflection of the meaningful impact our club has in the community, and I hope you'll join us for this inspiring gathering. This is also a wonderful opportunity to introduce guests to our work, so feel free to bring a friend—just be sure to make a reservation in advance.

As I near the end of my term as President, I want to take a moment to recognize the hard work and dedication of our members. Your commitment to service, fellowship, and community betterment has made leading this club a true privilege.

Over the past two years, my focus has been on strengthening our organization and bringing it up to date. I'm proud to share that we now have a clean, secure, climate-controlled storage unit to protect our materials, and our historical scrapbooks have been digitized to preserve our legacy for future generations.

None of this would have been possible without the support of our outstanding officers and board members—past and present. Thank you for your guidance, energy, and collaboration. It has been my honor to serve as your President, and I am deeply grateful for the opportunity.

I have full confidence that our incoming leadership will continue this momentum. They are already working hard to plan for the year ahead, and I know they will do an amazing job with your help.

Enjoy the Summer and I look forward to seeing you in September!

With gratitude,

Donna Robinson

President 2024-2025

Passing of Mae Mason's Son

I am sorry to report that club member Mae Mason's son, Mike, passed away suddenly on Wednesday due to a heart attack. I received details of the arrangements late yesterday.

Visitation: Saturday, May 10th, 10:00 am-12:00 pm

Funeral: 12:00 pm

Visitation and funeral will be at Titzer Funeral Home, 510 W. Jennings St., Newburgh

For any members wishing to pay their respects, we will meet in the Titzer Funeral Home parking lot just before 11:00 and enter as a group, as is our club tradition. A memorial contribution will be made by the club. The club sends our condolences to Mae and her family.

Style Show

The style show was great, again. Great clothes and accessories! And those models! A huge thanks to Marilyn Southwood and Tarrah Georges and her staff at Girl Friends and our models for bringing us a breath of spring. This was our second year for outfits and accessories from Girl Friends and, as one member said, "They can come back any time!" Thanks again, ladies.

Community Service Projects

The Community Service Projects Committee has been very busy this year. If you haven't chosen a committee for yourself for next year, please consider joining us. We have a lot of fun. Here are some of the highlights....

SENIOR BINGO – we host bingo at the Senior Center in Newburgh. They play right after their lunch and we provide prizes. Thanks Nancy.

BLUE JEANS – Ongoing Collection of jeans given to the Women's Auxiliary who makes quilts from them to give to our veterans. Thanks Janet

RONALD MCDONALD HOUSE Many hands prepare cookies and even meals to those staying at the house while their child is in treatment at Deaconess Gateway. Thanks Sallie Ann.

Last month saw us hosting two events. Our first was to make up LAUNDRY BASKETS for YWCA that included many personal items for the displaced women that come to that shelter. Thanks, Johara and Cara.

Also in March, we hosted and cooked and served A BIG MEAL at St. Clements church in Boonville for those less fortunate. Thanks Johara for planning all of it.

Coming yet this month, is a fun little reception scheduled at Primrose which is an elderly assisted living community. It is actually a themed event recognizing EARTH DAY complete with trivia questions, prizes and desert.

I just truly want to thank all of you gracious ladies for helping..... *Leanna Hughes*

Just For Fun

JUST FOR FUN floral bouquet class was great. Wide variety of fresh flowers, excellent instruction by Tara and comfortable atmosphere. Each bouquet was beautiful and unique. Everyone enjoyed this event and hope to repeat next year.

Special thanks to Amber Snow for arranging this special class for us and also for her continued work on our Riverfront garden.
