## A Note From... Our President

Hello Spring! Happy Easter!

Our Facets of Splendor color for April is yellow! The sunshine and daffodils usher in Springtime and bright sunny days. Yellow energizes us and causes us to see things with a positive outlook. I am looking forward, and I know you are also, to sunny days and warmer weather, green grass and blooming trees and flowers! I compare it to the beautiful ladies of WCN! You bring to the club your beautiful smiles, sunny dispositions and warm hearts sharing those attributes with our community by spreading your sunshine and warmth to those in need!

We are having a wonderful year and as we are approaching the end of it, let's anticipate an even better 2022-2023! There isn't anything we can't do, if we work together. When we help others, we help ourselves.

Thank you for all that you do.

*Jeri Cooper*

2021-2022 WCN President

## A Note From... Reservations

Ladies please remember to respond to reservation reminders. I have quite a few coming without reservations. I was flexible during Covid but it is becoming a problem so I will need your reservations if you would like to stay for lunch. Also if it is just set up please let me know that too.
