A Note From... Our President

"Always work hard and have fun in what you do because I think that's when you're more successful. You have to choose to do it." ~Simone Biles

Having won 25 World Championship medals, Simone Biles is the most decorated gymnast in the history of the Gymnastics World Championships, and is considered by many to be the greatest gymnast of all time. Three weeks ago, after sitting out of competition for two years, Simone won a record eighth U.S. Gymnastics Championship title at the age of 26. She is a prime example of what hard work while having fun can accomplish. Women's Club of Newburgh has a long history of women working hard to make a difference in our community while having fun doing it. Members are already hard at work and I am excited to see what we are able to accomplish together this year. As we go through this year, I want us all to have fun while working hard together to improve the quality of life in our community.

Thank you for your time, experience, support and dedication.

Donna Robinson

President 2023-2024

Reminder... Auction

Hi Ladies!

Just a reminder about auction reservations. We will have cards on the tables at the meeting again for anyone who has not made a reservation for the auction to be held on Tuesday, November 14th. The cost is \$25 and the deadline is November 3rd to get your reservation in. If for some reason you miss signing up and paying for your seat at the September meeting, we will have a reservation card on the table for October. Checks are to be made to WCN and if you need to mail a check please send to:

Janet Clark
6422 Waterstone Ct.
Newburgh, IN 47630

Please remember a table needs to be paid in full to be assigned the next available spot. There are no bad tables when it comes to the auction since we have wonderful "Vannas" who graciously walk around the room showing us the item up for auction. Our limit is approximately 150 seats so please invite your friends who love an auction.

Raffle tickets for a \$500 shopping spree to Droste's and half-pot tickets will also be available for purchase at the meeting.

Also, as per Auction Requirements in your WCN Yearbook, each Active and Sustaining member must provide a new item worth at least \$35 or donate \$50 (to be used for shopping by the committee). If you choose not to shop and do not wish to pay the \$50, then your options are to go in with another member/friend on a larger item and get that member to do your shopping, have that member buy an item of \$35 for you or pay a \$50 fine within 30 days of the Auction (\$75, if not paid within 30 days). Deadline for the committee's shopping is Tuesday, Oct. 31 (two weeks prior to the auction).

Thank you and see you all at the meeting!

Janet Clark

Together We
Can Make A Difference

We will have some Women's Club window clings with our 60+ years and still shining brightly logo available for purchase at the May Meeting! This is one simple way to advertise our club. If you would like to purchase they will be \$3.00 each.

News... Just For Fun

On May 25th there was a Just For Fun painting event held at Amy Kehler's home. Those Members that attended painted 2 different murals made up of 6 paintings each. Those murals were provided by The Foundation for Hospital Art. Since 1984, The Foundation for Hospital Art has been dedicated to softening the hospital environment with colorful paintings, wall murals and ceiling tiles. For more information on the Foundation please check out their website! www.hospitalart.org

The Almond Blossom mural painted is now hanging at Ascension St. Vincent Cancer Center. The canoe mural is now at the Masiha Free Specialty Clinic in Newburgh.
