## A Note From... Our President

"April showers bring May flowers!!"

As we approach the last meeting of the year, the beautiful spring and summer flowers are popping up all around us. We see gorgeous colors that are starting to bedeck our yards and porches. That is why our "Facets of Splendor" color this month is the color that is your favorite Springtime flower color. So at our May meeting "Bloom where you are!"

May is an exciting month for us. It is this month that we get to award grants to the selected nonprofit organizations and scholarships to the high school senior recipients. This is a wonderful way we for us to exhibit the accomplishments of the club. We can take pride in how we have worked together to make this year a success.

Furthermore, we must get ready for next year so please fill out your Google form online. It is vital information that will help the officers and chairmen prepare for another successful year. See you May 10.

*Jeri Cooper*

2021-2022 WCN President

## A Note From... Reservations

Ladies please remember to respond to reservation reminders. I have quite a few coming without reservations. I was flexible during Covid but it is becoming a problem so I will need your reservations if you would like to stay for lunch. Also if it is just set up please let me know that too.

*Nancy Barker*

Reservations Chair

## A Note From... First Vice President

Sunday May 1 a Google Form for 2022-2023 was e-mailed out to each member. This form is important for our membership to fill out so we can make our program/membership book and all of our committee chairs can get their committee lists for the coming year. This form only takes a couple of minutes to breeze thru and complete. Please take the time to do so ASAP so you can help make our jobs easier!

Thank you in advance for your time and effort. It has been a pleasure serving as your 1st V.P. this year.

*Barb Hazelrigg*

First Vice President

### Wanted... Marker Committee

Ladies of WCN. As most of you know our WCN Marker Committee published a new historical marker book the month before Covid hit. Our committee has had multiple obstacles in trying to market these books as a result. We are about halfway sold out now and would love to get the remaining books sold this year. Christmas will be here sooner than we expect, so if each member of WCN would purchase at least one book our club's treasury would get the boost it needs! To those members who enjoy history I extend an invitation to join our committee. Several openings are available. Once the remaining books are sold we will start the fun of researching more buildings. I will be attending the May general meeting and would like to visit with anyone interested in joining our committee. Or you are welcome to call me. Thank you.

Marker Committee Chair

### Wanted... Vendor Chair

If you like to work with spreadsheets and balancing, this job is for you!

Qualifications for this fun job are:

Knowledge of excel spreadsheets, like to color code, like to communicate by email, work well with others, like to be organized, like to attend some crafts shows in the area.

What part of this position does not sound like fun! The person in this position really needs to give it up due to other responsibilities in the club (Treasurer, Craft Show Chair, Auction Reservations). She would also be available to help get the new person oriented for as long as needed.

All positions in the club need to have at least 2 people to know how to do each position. This is one of those positions that only 1 person knows how to do it.

The position is Vendor Chair for the craft show.
